

Louis Kälin BSc Civil Engineering UAS +41 44 545 15 30 l.kaelin@gae.ch

Portrait: Grew up near a ski lift in Central Switzerland.

The dream of becoming a pilot almost came true. Re-orientation in the construction industry. His father and grandfather were architects. B.Sc. in civil engineering. Joined Gartenmann Engineering after interim stages on construction sites and in timber construction. Fly-fishing out of passion and to recharge his batteries.

Career: seit 2021 Projektleiter Energie, Bauphysik, Akustik
